EDUCATION

McMaster University

Honours Computer Science Co-op (B.A.Sc.), Minor in Economics

Hamilton, Ontario

Class of 2025

EXPERIENCE

Front-end Developer

Harmonysoft

May 2023 – Aug 2023

Hanoi, Vietnam

- Collaborated with a cross-functional team of designers and back-end developers to create a responsive and visually appealing user interface seamlessly integrated with the backend services.
- Incorporate **HTML**, **CSS**, **JavaScript**, and **ReactJS/ React Native** to build web/ mobile applications, and use **Figma** to design mobile applications.
- Actively participated in code reviews, providing constructive feedback and maintaining a high standard of code quality and consistency across the project.
- Identify and resolve bugs, ensuring high software quality and user satisfaction.

English Teaching Assistant

NP Education

Dec. 2020 – Jul 2021

Hanoi, Vietnam

- Collaborate with the lead teacher to identify and address students' behavioral issues.
- Assist the lead teacher with grading hundreds of assignments and essays, maintaining records, and preparing for class sessions
- Maintain and set up equipment and supplemental learning resources for classroom use

PROJECTS

NewsNewsNews | *FastAPI, Python, Firebase, ReactJS, JavaScript, HTML, CSS*

Aug 2023 – Sept 2023

- Created a dynamic news website with categorized articles using ReactJS.
- Integrated an interactive commenting system to foster user engagement.
- Implemented a content submission feature utilizing FastAPI for backend functionality and Firebase for database management.
- Incorporated secure user authentication via sign-in to ensure data privacy

Music Center Management Web | *JavaScript, HTML, CSS, ReactJS*

May 2023 – July 2023

username: admin | password: 123456

- A website is created for an admin to maintain a music center by managing students, teachers, classrooms, and types of equipment.
- Integrated real-time features to update class schedules, enabling admins to create classes, manage classes' status, tuition, teachers' salaries, and more

Personal Website | *JavaScript, HTML, CSS, ReactJS, TailwindCSS*

May 2023 – Sept 2023

- Provides a concise introduction, highlighting my technical expertise, skills, unique value proposition, and certificates.
- Contains essential details such as my email address, phone number, and links to my professional social media profiles.
- Contains samples of previous projects and designs to demonstrate my skills.
